Dear Mr. Luken,

I wanted to send some words of congratulation to you for your outstanding work at the 2006 Networking Equals Results Conference. I have reviewed the participant evaluation information and your work was absolutely on target. Our conference participants came from a wide array of human resource agencies and all were very satisfied. Our conference serves The Illinois Department of Human Service, The Illinois Department of Employment Securities, The Illinois Department of Employment and Economic Opportunities, and the Illinois Community College Board. Each of these agencies serves our citizens in the important work of creating positive futures for their clients. Your message brought clarity and skills for our participants.

It with great pleasure that I send you these words of affirmation. I have been the Conference Chair for the past three years. In those years I have heard and scene many presenters. Your energy and clear examples bring relevance to each of your participants. This is a rare quality and you can be proud of the work that you do.

Please consider The Center for Adult Learning Leadership a source of referral and confidence. You extend so much knowledge and expertise to everyone that you encounter. Thank you for being such a wonderful mentor for our conference participants.

Sincerely,

Chris Francisco Director
